

**Neck**

Measure the neck from the base where the shirt would button with 1 finger between the neck and tape.

**SLEEVE LENGTH**

Measure from the middle of the neck, over the shoulder, to 1" past the wrist bone.

**CHEST**

Measure under the arms around the largest part of the chest with one finger between the tape and body.

**OVERARM**

Measure over the arms around the largest part of the chest with one finger between the tape and body.

**TORSO**

Measure around the largest part of the stomach.

**HIPS**

Measure around the largest part of the seat making sure there is nothing in the pockets.

**WAIST**

Measure just above the waist band or briefs whichever is higher. Pull the tape tight and make sure no clothes are bunched up.

**OUTSEAM**

Measure from the top of the waistband or briefs to the floor without any shoes on.
